

DIASS can support you through the Education Health Care (EHC) plan needs assessment.

There is help for:

- Families and carers from the point they request an EHC needs assessment
- Families and carers of children and young people moving from a statement of special educational needs to an EHC plan
- Young people with a Learning Disability Assessment, who are requesting an EHC plan

You can also get time limited support from Umbrella (a Derby based voluntary organisation). Umbrella support families and carers in the city and the county.

## Independent Support

# Providing impartial advice for special educational needs and disability

## Do you need our help?

### Parents/Carers

- Are you finding it hard to get your voice heard?
- Do you need someone impartial to talk to about the support your child or young person receives?
- Do you need information about education, health or social care systems in relation to Special Educational needs provision?
- Do you need support in discussions with your child's school or the Local Authority?
- Has your child or young person been excluded or is at risk of exclusion from school?

### Children/Young People

- Do you need some more information to help you make decisions and choices?
- Do you need someone to talk to about the difficulties you are experiencing?

"My worker explained about the new Education Health and Care plans and how they are different from statements. She helped me to make the right decision for my child."

"They were there when I was really struggling and helped me through really hard times. They helped me understand my rights."
